WELCOME MESSAGE

2nd ICTM 2021 aims to gather the Research Scholars, Principal Investigators, Experts working in Academic Institute, Research Institute & Healthcare Industry, across the world to provide an international forum for the dissemination of original research, new ideas, and practical development experiences. The Pharmacy College is now organizing International conference which will bring together researchers from diverse universities, institutes and industries and present them a stage to share their research work. The endeavor of the seminar is to offer an opportunity to showcase the sharp edge research in the field of Quality assurance of Phytomedicines. We encourage research work for paper/poster from faculties, research scholars and industry participants.

We invite you to join us at the 2nd international conference on 'Development & Modern Trends in Traditional Formulation', where you will be sure to have a meaningful interaction with Global Inspiring Experts, Speakers & scholars around the world. All members of the ICTM-2020 organizing committee look forward to meeting you at SMBT Campus, Nashik, India.

ABOUT OUR TRUST

Sau. Mathurabai Bhausaheb Thorat Sevabhavi Trust, the parent body of SMBT Dhamangaon. SMBT Educational Campus was established in 1984 by the visionary Late Shri Bhausaheb Santuji Thorat with the objective of bringing about educational and economic growth in rural & tribal areas. ABOUT CONFERENCE

SMBT is pleased to welcome all the participants from all over the world to attend 2nd International Conference on Traditional Medicine, during January 08th-09th, 2021 at Nashik, India. The theme of the conference focuses on 'Development & Modern Trends in Traditional Formulation'.

ICTM 2021 deals with the current research developments in the field of Traditional Medicines and the new treatment methods which are devised by scientists to treat various diseases in an easier way. This formal get-together will provide an excellent platform for participants to learn about the recent trends in quality assurance and phytochemical research and development in traditional medicines.

TRADITIONAL MEDICINE

A traditional health care practice of native people pertaining to human health is termed as Ethnomedicine. Ethnomedicine is the origin of various systems of medicine such as Ayurveda, Siddha, Unani, Homeopathy, Nature cure and even modern medicine. Isolated phytochemicals have been used in clinical practice since long for prevention and treatment of various health ailments. The traditional healers are part and parcel of the community and are often familiar with the details of each family and its environs, so that they are in a better position to deal with their day-to-day problems. There is a strong market for traditional medicine and herbal products in all over the world. According to the latest research report from MRF (Market Research Future) Global Traditional Medicine and Herbal Market Size is expected to reach USD 129 billion by 2023. The market is expected to exhibit a strong 5.88% CAGR over the forecast period from 2020 to 2023.

AREAS COVERED

1. Traditional Medicines – sources & clinical applications.
2. Quality Assurance of Traditional Medicines.
3. Phytochemistry – Isolation and use of active principles.
4. Trade of Natural Products and Traditional Medicines.
5. Biological Screening of Natural Medicines.
6. Herbal Drugs & Formulations

ABOUT NASHIK

Nashik is an ancient city in the northwest region of Maharashtra in India. Situated on the banks of Godavari river Nashik is best known for being one of Hindu pilgrimage sites, that of Kumbh Mela which is held every 12 years. The city located about 190 km north of state capital Mumbai, is called the "Wine Capital of India" as half of India's vineyards and wineries are located in Nashik. Nashik was formerly known as Gulshanabad and it is important historically, mythologically, socially and culturally. Known for the temples on the banks of the Godavari it has historically been one of the holy sites of the Hindu and Muslim religion.

HOW TO REACH DHAMANGAON

SMBT Campus Dhamangaon is located on Ghoti-Sinnar-Highway (By-pass from Mumbai-Agra Highway). It is also connected to Nashik by road 38 km. Nearest railway station is Deolali camp around 20km. Nearest International Airport is 'Chhatrapati Shivaji Maharaj International Airport', Mumbai/ Bombay around 149 km.
